“ Vishwas Wahi, Soch Nayi ”

Our beloved Dadaji, with his continuous guidance, helped our brand innovate & evolve along with the times.

His ‘always positive’ approach and open mind to try new things while giving equal importance to our values & legacy has helped us reach this level of success in our field.

Empowering Progress, Together.

At **CONAsmyle**, we've always believed in one thing – progress that includes everyone.

2024 was a year of steady steps with conventional launches. In 2025, we're stepping into a new era. With pride and purpose, we introduce the **PRO Series** – a future-ready line of products built on **new-age design, uncompromising quality** and engineering excellence. These are not just upgrades – they're thoughtful innovations crafted for the evolving needs of our customers across India.

We're also excited to deepen our relationships with those who power our brand every day:

- A new **Electricians Loyalty Program**,
- Engaging **Monthly Schemes & Gifting Programs** for retailers and dealers,
- And our proud tradition of the **"Cona Pariwaar Samundar Paar" international trip** – now bigger than ever.

We're also expanding our portfolio with products like the Olive Pro Series along with a lot of other compliment Pro accessories tailored for India's rising EU needs.

The road ahead is full of opportunity – and at **CONAsmyle**, we're Ready to lead, grow, and power India's future, together.

With gratitude,
Sachin Motwani
